

# We Care for Kids

Quality Early Childhood Education  
For All Nebraska Families

**Quality early childhood education supports Nebraska's kids—and our future.**

Quality early childhood educators bring out the best in our children through discovery, play, and working with others, preparing them for school and life. **Families can work knowing their children are in the safe, loving, and supportive care of a quality educator. And that helps everyone in Nebraska thrive.**

**Find resources, learn more, and join us:**
